

YOU'RE COVERED!

During your recent visit, we have attempted to provide the utmost in care and respect for you and your truck and performed required services using top quality TW/Traction parts. We have followed through on our commitment to provide you with the levels of technical proficiency and expertise that you demand. Additionally, as applicable, we have performed these services in accordance with manufacturer's recommendations, or established industry guidelines.

While we do not expect any problems to occur as a result of our workmanship or failure of the parts installed, we want you to know that we stand firmly behind the work that we do – our reputation depends on it.

In the unlikely event something unexpected occurs, YOU'RE COVERED, with the TRUCKPRO 12-MONTH PARTS & LABOUR NORTH AMERICAN WARRANTY.

*Please refer to the written warranty statement on the reverse.
